On Education in Journalism and Mass Communications

Ana Mari Cauce, President  
University of Washington

May 12, 2022

Dear President Cauce:

The Accrediting Council on Education in Journalism and Mass Communications met April 29 and voted 15-0, with two recusals, that the undergraduate Journalism and Public Interest Communication program in the Department of Communication at the University of Washington receive reaccreditation.

The Council concurred with the site team and Committee recommendations for reaccreditation.

We will be in touch with the program chair about the next visit for the school, scheduled for the 2027-28 academic year.

Please accept my congratulations and best wishes for continued success for the Department of Communication, its students, faculty and the professional media constituencies it serves.

Sincerely,

Peter Bhatia  
ACEJMC President
