Dear President Bell:

The Accrediting Council on Education in Journalism and Mass Communications met May 6-7 in Chicago and voted 21-0 that the undergraduate and graduate programs in the College of Communication and Information Sciences at the University of Alabama receive reaccreditation. George Daniels, assistant dean of the College of Communication and Information Sciences, attended the meeting.

The Council concurred with the recommendations for reaccreditation made by the Accrediting Committee and the site team. The next visit for the undergraduate and graduate programs in the College of Communication and Information Sciences will be during the 2021-2022 academic year.

Please accept my congratulations and best wishes for continued success for the undergraduate and graduate programs in the College of Communication and Information Sciences at the University of Alabama, its students, faculty and the other professional media constituencies it serves.

Sincerely,

Doug Anderson
