Dear President Wilson:

The Accrediting Council on Education in Journalism and Mass Communications met April 25 and voted 20-0, with two members recusing, that the undergraduate program in the School of Global Journalism & Communication at Morgan State University receive initial accreditation. DeWayne Wickham, dean of the School of Global Journalism & Communication, attended the meeting, which was held via video/audio conferencing because of the pandemic.

The Council concurred with the recommendations for initial accreditation made by the Accrediting Committee and the site team.

We will be in touch with Dean Wickham about the next visit for the School.

Please accept my congratulations and best wishes for continued success for the School of Global Journalism & Communication at Morgan State University, its students, faculty and the professional media constituencies it serves.

Sincerely,

Peter Bhatia
ACEJMC President
