

Accrediting Council

On Education in Journalism and Mass Communications

May 13, 2024

Karim Seghir, Chancellor
Ajman University

Dear Chancellor Seghir:

The Accrediting Council on Education in Journalism and Mass Communications met May 3, 2024, in Washington, D.C., and voted 17-0 that the undergraduate program in the College of Mass Communications at Ajman University receive initial accreditation.

The Council concurred with the site team and Committee recommendations for initial accreditation.

We will be in touch with Dr. Salama about the next visit for the school, scheduled for the 2029-2030 academic year.

Thank you for the opportunity to participate with your faculty and administrators in the assessment of your program. The goal of the Accrediting Council is to improve the quality of education offered to students served by a program through that assessment. Please accept my congratulations and best wishes for success for the College of Mass Communications, its students, faculty and the professional media constituencies it serves.

Sincerely,
